Explanatory Note

(This does not form part of the notification, but is intended to explain its general purport).

In notification No. G.O. (Rt)1003/77/LBR dated 24th August, 1977 published as S. R. O. No. 851/77 in Kerala Gazette No. 38 dated the 20th September 1977, Government have prescribed the local limits of each Factory Division in the State. Government have decided to implement the decision of the Labour Ministers' Conference held in New Delhi in November, 1973 to augment the strength of the State Factory Inspectorate to keep the norm of one Inspector for 150 Factories. There are more than 3005 Factories under section 2(m) of the Factories Act now in the State. In view of the necessity for strict economy in expenditure, Government propose to re-organise the Factories and Boilers Department in a phased programme. In the first phase, Government have ordered in G.O.(MS)111/78/L&H dated 1-9-1978 that there will be 15 Factory Divisions. It has also been decided by Government to convert the posts of Inspectors of Factories, Inspectors of Boilers and Regional Inspectors of Factories to that of Inspector of Factories and Boilers, so that Inspectors will attend to both Factory and Boilers work in their Division. In the light of the above Government Order the existing 10 Factory Divisions have been increased to 15 Factory Divisions for the effective implementations of Labour Laws. The jurisdictions of Factory Divisions have to be revised to suit the changes. The notification is to achieve this object.
